CASH HEDGES CHEMISTS

“Secundum Artem.”

WHEN your doctor writes this on his prescription it is a direction to the Chemist to use his “best manipulative skill” in preparing it.

By employing dispensers with the highest qualifications only, we insure that this “manipulative skill” shall always be used, and our pharmacies are equipped with every device to secure accuracy.

We use only the freshest and purest standardized drugs and our methods are entirely modern.

We have a sixty years record of prescriptions in our books.

Our charges are about 50 per cent. below ordinary dispensing rates, but this does not mean that our dispensing is “cheap” in quality. It is not possible to secure better or purer drugs, or higher skill than we use; even by paying higher rates.

We deal in many things, but the professional part of our business is the one that has first and foremost consideration.

Harlene Hair Drill.

The Scientific Method of Hair Culture.

"HARLENE" alone answers all requirements; it has the property of penetrating direct to the roots of the hair, stimulating them to renewed vigour, cleansing the cells which line the way, and, above all, conveying to the hair-bulbs the particular food which they require—the only food Nature has ordained can act as nourishment for them. No other preparation contains this ingredient, and therefore no other preparation can be successful. "HARLENE" alone is successful, because it strengthens the hair in such a way that effectual resistance is made complete against all baneful influences, whether atmospheric or constitutional.

FOR INDIGESTION

BILIOUSNESS

CONSTIPATION

HEADACHE

If you cannot digest your food perfectly you cannot be well. The slightest failure on the part of the stomach, liver or intestines, reacts on your whole system, and reacts harmfully. Not only is your body starved because you have failed to get the full nourishment from what you have eaten, but it is also poisoned. For indigestion loads your blood with poisonous impurities which your own stomach has created, and the blood carries these to every part of your body. Naturally your strength fails. You become weak and ailing, tortured with headache, biliousness, perhaps constipation (which still further contaminates your blood), and life becomes a daily misery. Mother Seigel's Syrup will free you from all this. It so tones and strengthens your stomach and liver that indigestion becomes impossible. It also regulates your bowels, and cleanses your whole system.

AND ALL STOMACH AND LIVER DISORDERS

"Some years ago, I fell into a bad state of health. I had terrible pains in my chest after eating, and my face would flush up. Sometimes, when I ate, my food would return. I could not sleep at night. Ordinary medicine could not cure me; but Mother Seigel's Syrup cured me, once for all."—Mrs. M. E. Curtis, 1, Wingfield Road, Leytonstone Road, London.—April 4th, 1911.

The Doctor Says

“Your children will soon lose that puny, delicate, thin look, if you give them Cod Liver Oil.”

“But,” you say, “they won’t take it!”
You’re mistaken. They will take it, if you give it them in the delicious, palatable form of . . .

“THREE CROWNS” COD LIVER OIL CREAM.

This is no fanciful name. It is a cream. It is sweet (but not sickly sweet). It is easily digested. There is no taste of the oil in it. It is fattening, sustaining, and cold resisting, and you will see a wonderful difference in children who take it regularly for a time. They become healthy, strong, and bonny. It is sold in bottles—

“Three Crowns” Cod Liver Oil Cream

containing pure Cod Liver Oil with Hypophosphites of Lime and Soda (bone and brain building)

1/-, 1/8 ; Family bottle (very economical) **3/-**
at all Hedges’ shops.

A Birmingham Mother writes—

To MESSRS. HEDGES & SONS,

DEAR SIRs.—I write to tell you the great benefit my little boy has received by taking “Three Crowns” Cod Liver Oil Cream on several occasions.

On one occasion he had pneumonia, and being brought down very weak, I started giving him the Emulsion, with marvellous results. He was then five years old, now he is nearly seven, and I have never been without it since, as a dose or two does wonders for all kinds of Coughs and Colds.

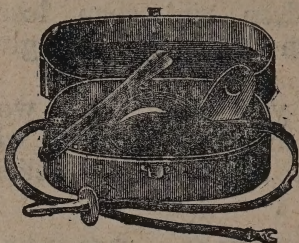

It is **not to be equalled**, and I have gained great benefit also myself.
